Subject - Fixing the pay of certain teachers of the Municipal High School, Chamarajnagar at Rs.52/- in grade Rs.40-4-60

In submitting herewith copies of the resolutions of the Managing Committee of the above mentioned High School and of the local Municipal Council agreeing to ^{the} pay of the seven teachers of the school being fixed at Rs.52/- in grade Rs.40-4-60, I have the honour to state that it is reported that on account of the dearth for graduates and in the interest of the school, graduate teachers, who demanded a starting pay of Rs 52/-, were appointed by the President of the Managing Committee of the school on that pay, subject to approval of the said Committee and the local Municipal Council. Subsequent to these four appointments, the other three graduate teachers who had been working in the school for the past one year are reported to have prayed that they might also be given Rs.52/- in grade Rs 40-4-60. The Managing Committee as well as the Municipal ~~Committee~~ Council have resolved to grant their requests in the interest of the efficiency of the school. A statement showing the particulars about the seven teachers is also enclosed ~~therein~~. There is a slight difference in the copy of resolution of the Municipal Council as to the number of graduates newly appointed and those who were already working in the school. The total number is the same. The correct figures are 4 candidates newly appointed and 3 already working, as against 3 and 4 respectively as found in the Municipal

Municipal resolution, the Municipal Council have agreed to meet the extra cost out of their funds

In view of the difficulty of securing the services of competent graduate teachers, several other Municipal High Schools have taken fresh candidates on higher initial pay than the minimum of the grade Rs.40-4-60 and sanction has been accorded by Government in all those cases. Similar sanction is necessary in the present case also, as otherwise the work of the school would suffer for want of teachers.

I recommend therefore that sanction may be kindly accorded to the fixing of the pay of all the seven teachers in grade Rs.40-4-60 in the Municipal High School, Chamarajanagar, at Rs.52/- per mensem each with effect from 7-6-1945 (i.e. the date of the appointment of the first among the four new teachers), in respect of the teacher already working in the school and from the actual dates of appointment in the case of the newly appointed teachers, the extra cost involved being met entirely from the funds of the school as allotted by the local Municipality.

I have the honour to be,

S i r,

Your most obedient servant,

R. Somasundaram
